With Your Office, readers will learn to use Office to make decisions and solve problems in a business context. Your Office bridges the gap between skill and application, and empowers students to master Office 2013 as a tool to solve problems and make decisions. Modular Structure Promotes Concept Retention: Provides a strong foundation for readers to practice in each workshop and then synthesize the objectives covered over two workshops effectively challenging students to really retain what they learned as opposed to learning, and then forgetting soon after. Case Progression Promotes Concept Mastery: Readers progress from learning the skills in each Office Application to using the applications as tools to make business decisions. Realistic Series Scenario Provides Business Context: Readers gain a solid understanding of how an organization works as they see how individuals in all facets of a business interact with tools like Microsoft Office and use information to make decisions. Engaging Features Help Students Make Microsoft Office Their Own: Videos, Visual Summaries, and Real-World Advice boxes are among the features that help readers master Office to make decisions and solve problems in a business context
